**Teddiursa:** Ursa!

**May:** **Smiling warmly** You earned that badge fair and square, Ty.

**Ash:** Definitely! You and your Pokémon were awesome!

**Pikachu:** Pika pika!

**Max:** That battle yesterday with Chuck was incredible!

**Ty:** Yeah, Thanks. I'm getting used to this.

**Sakura:** Even though you didn't finish the match since it was interrupted by Team Skull, you earned your reward, Ty.

**May:** And for saving Manaphy.

**Manaphy:** Mana.

**Ty:** Sure thing, May.

**Dawn:** And your Teddiursa and Totodile are totally synced with you.

**Ty:** Hehehe.
**Everyone was happy for Ty for winning his fifth badge until they leaving to the safari zone**

**Raye:** **Smile** And now we are going to the safari zone that Chuck mentioned. I'm wondering if they have some rare pokemons.

**Lillie:** Well, I have never been to any safari zone, but I'm excited to visit there.

**Ty:** Will see when we go there, but I'm excited to catch my third pokemon first for my team.

**Teddiursa:** Ursa!

**Croconaw:** Croconaw!

**Sarah:** **Smile** Maybe I’ll catch my next partner today… I’m so ready!

**Jonah:** Same here. I’m gonna find another Pokémon for my team!

**Ash:** Let's go there after this breakfast, I can't wait to go to that safari zone.

**Pikachu:** Pika!

**Avery:** Hopefully there aren't any scary pokemons in any areas.

**Raye:** We'll be fine when we get there, and I'm looking for my third pokemon as well.

**Avery:** **Smile** Then I'm super excited too.

**Ty:** **Excited** All right then! Safari Zone, here we come!

**Ash (Narrator):** Safari So Good!
**Ash's team are walking on their trip to reach the safari zone**

**Ash:** So you never heard of safari zones before.

**Ty:** No, since I began my journey. But you mentioned about many pokemon that live in many areas.

**Ash:** Yep. That's why it's a fun activity.

**Raye:** And what's the first thing that we're gonna do when we get there?

**Ash:** Explore everything, of course! And meeting some Pokémon that you have never seen before.

**Raye:** I want to try and find any pokemons first.

**Avery:** Since I have Pachirisu with me since I started my adventure, I'll bet I'll catch a cute pokemon, not the ones who are aggressive.

**May:** And to be fair, I have never been or gone to the safari zone since my journey at Hoenn with Ash.

**Ash:** I've been there once, May. Back at Kanto.

**May:** **Smile** Really?

**Ash:** Yeah.

**Lillie:** Let's hope we get to see any pokemons, maybe if I can catch one for my team.

**Jonah:** It depends if you like.

**Sarah:** If only that if I brought my notebook and studied more of these pokemons.

**Max:** I wanna do the same thing, I love to know more details.

**Dawn:** If you like to study more pokemons or anything, they can compete in the safari game with your own team or yourself.

**Sarah:** **Smile** Is it? Oh, I want to be on a team.

**Ty:** Maybe we can be on a team, like separated into our own.

**Dawn:** Yeah, I love your idea. What do you think, Ash?

**Ash:** Sure, we can do that.

**Pikachu:** Pika Pika.

**Ty:** I'm sure Teddiursa loves going to the safari zone.

**Teddiursa:** **Raising his paw proudly** Teddiursa!

**Ty:** **Smile** Hahahaha, you're going to love it, buddy.
**As they are excited and continuing walking to their destination, two pokemons figure appears behind the bushes, they were two cheering pokemons, Plusle and Minun, watching them**

**Plusle:** Plu?

**Minun:** Min?
**The gang did not notice them as they continued walking to the safari zone, leaving both Plusle and Minun watching, appearing to be friendly. Later, they arrived to the entrance of the safari zone as they see many trainers at the entrance and entertaining**

**Jonah:** **Amazed** Look at that. That must be the safari zone.

**Sarah:** Whoa…this place is like a paradise.

**Max:** It’s huge! I can already feel the adventure energy!

**Ty:** This place is awesome! What do you think of this, buddy?

**Teddiursa:** Ursa!

**Sakura:** It seems that everyone is up for a safari challenge.

**Raye:** I’m ready to catch something awesome.

**Ash:** **Smile** Then let's get inside and have a look.
**The group approaches a ranger station inside where a safari ranger waves cheerfully**

**Safari Ranger:** Welcome to the Safari Zone! Are you trainers new here?

**Ash:** **Smile** We are. And we compete.

**Ty:** **Smile** Can you tell us the rules for us?

**Safari Ranger:** Absolutely. In this safari game, you'll find any pokemons in each area. When you enter, you'll start with thirty safari balls catching any pokemons you encounter. The game will end when you run out your safari balls, or when you've walked five-hundred steps. You'll get a set once you compete alone. Or you compete all of you by splitting into a team of three or four trainers if you want.

**Ty:** Yeah! Let's do that.

**Ash:** We're gonna go into a group separately.

**Safari Ranger:** **Smile** Excellent.
**The ranger hands over thirty safari balls to Ash and Ty as they are ready**

**Ash:** Thanks, we are ready to enter.

**Safari Ranger:** Before you do, choose your trainers to be on your team.

**Ash:** All right guys, We're dividing into groups before heading out.

**Raye:** Good idea. With this big of an area, we'll find more Pokémon that way.

**Ty:** Here, let's share this with the others.

**May:** Except for Max since he's not a trainer.

**Lillie:** But he can come with us as an assistant.

**Max:** Yeah, I'll be with you guys.

**Ty:** Perfect! Will keep track of all the Pokémon we spot.

**Teddiursa:** Teddiursa!

**Ash:** **Amazed** All right, let's pick any of you and move out!

**Pikachu:** Pika Pika!
**The gang were excited about the safari game as they split up into groups to each area, the game began. At the peak area, Ash, Ty, Dawn and Max were searching for any signs of wild pokemon to catch one, they were focusing**

**Dawn:** All right. There should be somewhere here.

**Max:** Well, it can't be that far.

**Ty:** Try to be careful, Max.

**Max:** Got it.

**Ash:** Hmm, this should be here by those rocks. Any signs, Pikachu?

**Pikachu:** Pika.

**Teddiursa:** Ursa...ursa?
***As they were searching, Teddiursa noticed a pokemon appearing from the rock, it was a geodude**

**Geodude:** **Geo...*

**Teddiursa:** Ursa.

**Ty:** What is it, buddy?

**Teddiursa:** **Pointing at Geodude** Ursa.

**Ash, Ty, Dawn & Max:** Hm?

**Pikachu:** Pika?

**Geodude:** Geo.
**Geodude appears as the gang looks amazed**

**Max:** Wow, it's a Geodude.

**Ty:** That's the name?

**Ash:** Yep.
**Ty checks Geodude on his pokedex**

**Pokedex (Voice):** *"Geodude, a rock pokemon. It climbs mountain paths using only the power of its arms. Because they took just like boulders lining paths, hikers may step on them without noticing."*

**Geodude:** Geo. Geo.

**Ty:** Wow, that's an awesome pokemon.

**Geodude:** Geo...
**Geodude was unimpressed at Ty and his group**

**Ash:** Huh? He doesn't look friendly to us.

**Dawn:** Maybe he doesn't want to–

**Ty:** Don't, worry!

**Ash, Dawn & Max:** ?

**Pikachu & Teddiursa:** ?

**Ty:** I'll catch you for my team! Safari ball, go!
**Ty despite ignoring Geodude's unfriendly term, he throws his safari ball at the rock pokemon, unfortunately, Geodude casually tilts aside, missing it completely**

**Ty:** **Surprised** Huh!?

**Geodude:** **Unimpressed** Geo!
**The rock pokemon floats away, unable to catch it**

**Ty:** **Shocked** Hey! Get back here!

**Dawn:** Too late...it got away.

**Ty:** **Sigh** I should've caught it already.

**Max:** Look, there's another Pokémon.

**Ty:** Huh?

**Teddiursa:** Ursa?

**Magnemite:** Magnemite!
**Suddenly, another Pokémon appeared floating closer to the gang, it was Magnemite**

**Ty:** Whoa, what is that?

**Dawn:** A Magnemite. An electric and steel type pokemon.

**Magnemite:** Magnemite.

**Ty:** Amazing. Maybe if I can catch it instead.

**Magnemite:** Magnemite.
**Ty was about to catch Magnemite, but instead, it float away again**

**Ty:** **Low groan** Not fair.

**Dawn:** Maybe it wasn't good for him.

**Pikachu:** Pika.

**Max:** You could've caught it as fast as you could.

**Ty:** **Sigh** For real. I really wanna catch a strong one.

**Teddiursa:** **Tugging Ty's sleeve** Teddiursa.

**Ty:** **Smile** Don't worry, buddy. Will find another for our team.

**Teddiursa:** **Smile**

**Ash:** We still have time, let's go search another area and see others.

**Ty, Dawn & Max:** Right.

**Pikachu:** Pika.
**They resumed their safari game to the next area since they still have time. Meanwhile, May, Sakura, Lillie and Sarah were at the plain area, finding any rare pokemons to catch**

**Lillie:** This area feels so peaceful.

**Sakura:** Hehe, that's the thrill of the Safari Zone! You never know what you'll find!

**Sarah:** And I really want to catch something new today.

**Mag:** You will until you find it.

**Manaphy:** Mana…
**While searching, there was a noise coming from those bushes**

**Lillie:** Did you hear that...?

**May:** Yeah. Something's moving.
*The four crouch as cover. Suddenly, a yellow-and-brown shape rises from the grass. It was a Girafarig.

**Girafig:** Farig.

**Sarah:** **Gasp** What is that?

**Sakura:** It's a Girafarig!

**Lillie:** Whoa—those are super rare in the plains area!

**May:** Good eyes, Sarah. It hasn't noticed us.
**Sarah quietly steps forward, grabbing her Safari Ball ready**

**Lillie:** Sarah? Where you–?

**Sarah:** I got this…
**She slowly approaches Girafarig, getting ready to catch without being spotted**

**Sarah:** Okay... steady…
**Girafarig turns its head—the tail head wiggles curiously**

Girafarig: Fariiiig?

**Lillie:** It saw you—throw it now, Sarah!

**Sarah:** Alright—Safari Ball, go!
**She throws the ball. It strikes Girafarig, pops open, and pulls the Pokémon inside. The pokeball was shaking a few tunes. In seconds, she caught it**

**Sarah:** **Happy** Yes!! I caught a Girafarig!

**May:** **Smile** Great job, Sarah! Those are pretty tough to find. You got lucky!

**Sakura:** Your timing was perfect!

**Lillie:** **Smiling** Girafarig seems like it'll get along well with you. I can tell!
**Sarah holds the Safari Ball proudly**

**Sarah:** **Smile** Welcome to the team, Girafarig. I promise I'll take good care of you.

**May:** Alright, Sarah. You have your second pokemon for your team.

**Manaphy:** **Very proud** Mana.

**Sarah:** **Smile** Just what I needed.

**Lillie:** Let's keep moving. Since Sarah caught something that rare, maybe this plains is full of surprises today.

**Sakura:** Yeah, we have more time before the competition ends.

**May:** Then let's keep focusing on our task.

**Manaphy:** Mana.

**May:** **Giggles**
**At the marshland area, Raye, Jonah and Avery were navigating any pokemons to encounter**

**Avery:** Okay let's see, they should be good pokemon here. I hope they're cute ones.

**Raye:** I'm sure there's one here. This place is different because it has mud on the ground and ponds.

**Jonah:** Just try not to step on the mud, Raye.

**Raye:** **Smile** Don't worry. And thanks for the warning.

**Jonah:** **Smile** Just making sure.

**Avery:** Hmm, that's strange. I don't see any signs of pokemons here.

**Jonah:** Well, it can't be that far–wait. Look.
**While they on search for any rare pokemons during the safari game, Jonah spots a pokemon swimming to the water, it was a pack of Wooper**

**Wooper:** Woop. Woop.

**Raye:** Hey look. A Wooper

**Avery:** They're kind of cute.
**Wooper appears swimming while Avery checks her pokedex for Wooper's information**

**Pokedex (Voice):** *“Wooper, a water fish pokemon, Wooper usually live in water but come out onto land seeking good occasionally. On land, they coat their bodies with a gooey, toxic film.”*

**Avery:** Cool. It can live in the water.

**Raye:** They do.

**Wooper:** Woop, woop.
**The Wooper packs were swimming until one spots then, a Wooper jumps of from the water, approaching friendly**

**Wooper:** **Friendly** Woop.

**Avery:** Hey there little one. You look cute.

**Wooper:** Woop.

**Avery:** Since I found you, do you want to be on my team? So we can travel together.

**Wooper:** **Excitement** Wooper!
**Wooper was excited to join Avery's side, she made her decision**

**Avery:** All right then. Here goes–Safari ball, go!
**She throws the Safari Ball. It hits the Wooper, pulls it inside. In seconds after the ball shakes, she caught it**

**Avery:** **Happy & hands clasped together** I did it— I caught a Wooper!!

**Raye:** **Smile** Nice! It suits you.

**Jonah:** **Smile** Way to go, Avery.

**Avery:** Pachirisu will be happynto have a new friend with us.
**After she caught Wooper, a bushes was moving, drawing the kids attention**

**Raye, Jonah & Avery:** Hm?
**Suddenly, an Oddish appears out from the bushes**

**Oddish:** Oddish.

**Jonah:** An Oddish.

**Avery:** That's a grass type is my guess.

**Raye:** Yes. And this might be my chance to catch.
**Raye pulls her Safari Ball, preparing to catch Oddish**

**Raye:** Alright, Oddish… I’m ready. Safari Ball!
**She throws it—but Oddish jumps aside with surprising speed**

**Oddish:** Oddiiish!

**Raye:** What—?! Hey! Wait!
**Suddenly, Oddish curries into the tall grass. Raye runs a few steps, but Oddish disappears**

**Raye:** **Sighs & disappointed** Oww, it ran away. I blew it.

**Avery:** Don’t feel bad! They’re fast little guys.

**Jonah:** Yeah, you'll get the next one for sure.

**Raye:** **Smile**

Thanks... I'll get the next one. I'm not giving up that easily.

**Avery:** That's the spirit!

**Jonah:** We have still have plenty–
**As they were encouraging Raye, they were interrupted by purple smoke, it was a pack of Koffing and Weezing**

**Raye, Jonah & Avery:** Huh?

**Koffing:** Koffing!

**Weezing:** Weezing!

**Avery:** Umm, are they friendly or not friendly?

**Weezing:** Weezing!

**Koffing:** Koffing!
**The poison gas pokemons releases a smoke at the kids,  but they ran away to the next area**

**Raye, Jonah & Avery:** Eeek!!

**Raye:** Run!

**Jonah:** We should go to the next area!

**Avery:** I don't like scary pokemons!
**Back to Ash's group, they arrived at the wetland area**

**Max:** Wow... this area is huge! There have to be tons of Water-types around here.

**Dawn:** They're really good at hiding, Max.

**Ty:** I'm hoping to find something rare. The wetland zone is supposed to have Pokémon you can't find anywhere else. Anything, Teddiursa?

**Teddiursa:** Ursa.

**Ash:** These tracks look fresh. It could be water pokemon?

**Pikachu:** Pika.

**Max:** Hey, there's something coming from the water.
**Suddenly, the water rippled, until it splashed erupted It was a tadpole pokemon, Poliwhirl**

**Poliwhirl:** Poliwhirl.

**Dawn:** A Poliwhirl.

**Max:** Wow. Cool.

**Poliwhirl:** Poli.

**Ash:** Okay, guys—stay calm. If we spook him, it'll run.

**Ty:** It's all right. I got this.
**Despite not trying to scare off Poliwhirl, Ty pulls out his safari ball to catch a tadpole pokemon**

**Ty:** I'm ready to catch you. Safari ball–

**Poliwhirl:** Poliwhirl!
**It wasn't easy for Ty just as Poliwhirl splashes him and Teddiursa with his Water Gun**

**Poliwhirl:** Poli!

**Ty:** Agh! Whoaaa!!

**Teddiursa:** Ursa!!

**Ash, Dawn & Max:** **Surprised**

**Pikachu:** **Surprised** Pika!

**Poliwhirl:** Poliwhirl!
**After splashing Ty and Teddiursa, Poliwhirl escapes back to the water safely. The trios went to check on Ty and Teddiursa**

**Dawn:** Ty, Teddiursa! Are you all right?

**Ty:** **Sigh** I complain about that. I was so close.

**Teddiursa:** **Sigh** Ursa.

**Max:** You really soaked, Ty.

**Dawn:** Poliwhirl was stronger.

**Ty:** Yeah...but I failed...

**Ash:** It's all right though. You almost had it.

**Pikachu:** Pika Pika.
**While Ty and Teddiursa were still a bit exhausted for not catching Poliwhirl after splashing them, Raye, Jonah and Avery regroup with them**

**Jonah:** Hey guys!

**Dawn:** You made it. How did it go?

**Avery:** We had fun, and I caught Wooper. Hm? Ty? Did something happen?

**Ash:** It's just a little mischief. Let's head to the next area, shall we.

**Raye:** Sure, I guess.
**They moved on to the next area, the meadow area**

**Raye:** All right, this might be our only chance to catch any pokemons before this game ends.

**Ash:** We got plenty of time.

**Pikachu:** Pika.

**Jonah:** Hopefully if I can catch any one to catch.

**Ty:** You'll find it, Jonah. Trust me.

**Teddiursa:** Teddiursa.

**Max:** But I wonder if these can be friendly like Avery caught her second pokemon.

**Dawn:** It can be tricky sometimes.

**Avery:** Or it can be shy.

**Ty:** It'll be easier if we spot any pokemons by working together.

**Jonah:** I'll we need to do is to observe their behavior or encounter.

**Max:** And hopefully big sis and the others are okay.

**Ash:** They'll be fine, Max.
**As they continue to find any pokemons, the bushes begins to move, it was Marill and Sunkern group**

**Marill:** Marill. Marill.

**Sunkern:** Sun, sun!

**Ash:** It's Marill and Sunkern.

**Pikachu:** Pika.

**Raye:** **Smile** Aww, their friendly.

**Jonah:** **Smile** If they are friendly, I'm catching it now.
**Jonah quietly steps toward a Sunkern holding a safari ball**

**Jonah:** Easy... easy... and—go!
**He throws the ball at Sunkern. Suddenly, A Murkrow swoops down from above**

**Murkrow:** Kraaaw!!

**Ash & his friends:** **Shocked** Huh?!
**Murkrow snatches the Safari Ball mid-air and flies away, cackling**

**Murkrow:** Kraaaw!
**Jonah was a bit disappointed and sighed**

**Jonah:** **Sighs deeply** Seriously…? I finally get a chance and that flying type stole it.

**Ash:** Hey, don’t worry about it—Safari Zone catches can be unpredictable!

**Ty:** Yeah. That just means your next one will be awesome.

**Raye:** And besides, that Sunkern seemed to like you. Maybe you’ll meet again someday!

**Jonah:** **A bit smile** Heh... maybe. Thanks, guys.
**As Jonah is trying to cheer up, footsteps approach from behind, it was May, Sakura, Lillie and Sarah**

**May:** Hey! There you are!

**Max:** **Happy** Big sis.

**Avery:** Finally! We wondered where you guys went!

**Ash:** How did it go?

**Lillie:** We saw many Pokémon to each area.

**Sarah:** And you won’t believe what happened!

**Ty:** Oh? What did you catch?

**Sarah:** **Grinning proudly** I caught a Girafarig!

**Ty:** Whoa—no way! That's awesome, cousin!

**Teddiursa:** Teddiursa.

**Dawn:** Amazing.

**Raye:** That's a real catch

**Sarah:** I know, right? It took a while, but Girafarig was super friendly!

**Jonah:** Girafarig are really rare around here.

**Ash:** Nice job! Looks like everyone's having luck today.

**Jonah:** Yeah… well, except for me. But hey—there's still a little time left before the Safari Game ends.

**Dawn:** Then let's make the most of it!

**May:** Right! Let's see what other Pokémon we can find before time runs out!
**The whole group heads deeper into the meadow, excited and determined. The sun dips low over the Safari Zone. The group stands at the gate as the final horn signals the end of the Safari Game. Trainers exit with their newly caught Pokémon**

**Ash:** That was one awesome day, huh?

**May:** Totally! Everyone caught something amazing.

**Manaphy:** **Happy** Mana.

**May:** **Giggles** I'm glad you had fun today, Manaphy.

**Sarah:** Yeah! I can't wait to see how all these Pokémon grow.

**Dawn:** Safari Zones are always full of surprises.
**As they walk along the trail toward Cianwood City, Ty hangs slightly, a bit disappointed**

**Avery:** Hey, Ty… you okay?

**Ty:** Yeah, yeah, I'm fine….just kinda wish I caught at least one Pokémon today.

**Raye:** Don't beat yourself up over it. Some days just aren't catch days.

**Ash:** Believe me, Ty—there were times I didn't catch anything, too.

**May:** You'll get one next time. I'm sure of it.

**Teddiursa:** Teddiursa.
**Everyone, encouraging Ty for getting the next pokemon for his team**

**Ty:** **Cheering up** Thanks, guys. I'll keep trying and look for a new pokemon for my team.

**Teddiursa:** **Cheering*

**Ash & his friends:** **Chuckles**
**Ty feels better and cheered up as he continues his journey and looks for a new pokemon for his team. Suddenly, rustling sounds from the bushes ahead**

**Max:** Not again...?

**Avery:** Maybe the Murkrow came back.

**Sakura:** Or something even worse...
**Ash's team were ready to battle at any wild pokemons, however, it was a two small shapes burst out—Plusle and Minun from earlier, both chirping cheerfully**

**Plusle:** Pluuuus!

**Minun:** Miiinuuun!

**Teddiursa:** Ursa?

**Ty:** What is that?

**Pikachu:** Pika!

**Ash:** Hey! I know that pokemon.

**May:** Yeah. It's Plusle and Minun.

**Raye:** Wow.

**Jonah:** Cool.
**Raye and Jonah checks on Plusle and Minun on their pokedex**

**Pokedex (Voice):** *"Plusle, a cheering pokemon. It has the trait of cheering on its fellow Pokémon. By shorting out the electricity it releases from its paws, it creates pom-poms for cheering. Minun, a cheering pokemon. At the meeting of pokemon academics, it was announced that simultaneous exposure to electricity from a Plusle and Minun will promote circulation and boost vitality."*

**Plusle:** Plu!

**Minun:** Min!

**Avery:** **Smile** Look at them, they even look happy at us.

**Max:** And they also look enthusiastic.

**Pikachu:** Pika Pika! Pika!

**Teddiursa:** Teddiursa! Ursa!

**Manaphy:** Mana! Mana!

**Plusle:** Plu!

**Minun:** Min!
**Pikachu, Teddiursa and Manaphy were playing with the two cheering pokemons together, the gang chuckles**

**Lillie:** **Chuckles** It appears they're liking each other.

**Sarah:** And they develop friendships.

**Ty:** **Chuckles** Guess they just want a dramatic entrance.

**Jonah:** And they're excited too

**As the pokemons were having fun, Plusle and Minun looked at Raye and Jonah, approaching them. Plusle hops up to Raye, tugging at her, while Minun climbs onto Jonah's backpack**

**Plusle:** **Playful** Plu! Plu!

**Raye:** **Happy** Whoa—hey there, little guy! You're super friendly, aren't you?

**Minun:** **Playful** Min! Min!

**Jonah:** **Laughs** Guess someone's picked their favorite.

**Dawn:** Looks like they want to join you two!

Avery: Well... I don't see either of you saying no.

Raye: Not at all. Hey, I know. Plusle—what do you say? Want to come with me?

**Plusle:** **Happy** Pluss!

**Jonah:** And you, Minun? You wanna be part of my team?

**Minun:** **Happy** Minuuuun!

**Jonah:** Sounds like a yes to me! Ready, Raye?

**Raye:** Yeah.

**Raye & Jonah:** Poke ball! Go!
**Raye and Jonah gently toss two pokeball. Plusle and Minun both tap the balls willingly. Then...they caught it**

**Raye & Jonah:** **Happy** Yeah!!

**Raye:** **Happy** I got Plusle!

**Raye:** **Happy** And I got Minun!

**Ash & his friends:** **Happy**

**Ty:** Double catch! Nice!

**Teddiursa:** Teddiursa.

**May:** Those two are going to be amazing partners.

**Manaphy:** Mana.

**Sakura:** Now you have your new pokemon for your team.

**Jonah:** We are. And we're training them so they can be strong.

**Raye:** And be the best team ever.
**They smiled as the look at their poke ball**

**Raye:** Welcome to the team, Plusle.

**Jonah:** Same for you, Minun. Let's do our best!

**Lillie:** That was adorable for you.

**Max:** Today was a big surprise for you

**Dawn:** And they already made up their minds.

**Ash:** Those two will bring a lot of energy to your teams.

**Pikachu:** Pika Pika.
**Raye and Jonah were happy to catch Plusle and Minun while everyone was proud of them. Then, they headed back to Cianwood City since it's sunset**

**Avery:** Guys, let's head back to Cianwood City, it's almost sunset.

**Sarah:** Yeah, today's safari zone trip was great. And I'm so happy that I caught my Girafarig with me.

**Ash:** In that case, let's head back to the city.
**At the Pokémon center of Cianwood City, the gang were at the lounge taking a break and eating their meal while the pokemon buddies including their newcomers were eating their food**

**Dawn:** Ahh… finally. A chance to sit down.

**May:** My feets are tired. Safari exploring is no joke, but it was fun today.

**Avery:** We all got amazing partners today.

**Raye:** Definitely. Plusle's already bouncing around inside its Poké Ball—I can almost feel it.

**Jonah:** And Minun keeps nudging to come out. I think it wants another game of tag.

**Ty:** It was a blast, but I might not have caught anything, but seeing you guys happy kinda makes up for it.

**Teddiursa:** Ursa.

**Ty:** **Smile** I look forward to finding you a new pokemon friend, buddy.

**Lillie:** You look happy for Girafarig.

**Sarah:** I'am. I'm getting so happy for my second partner on my team. I'm sure Litten is happy right now.
**She watches Litten eating her bowl of food, and enjoying with Girafarig, bonding together**

**Ash:** That's good. They're bonding together as friends.

**Dawn:** Those two are gonna fit right in with your teams.

**Max:** Totally! Today was a great day for everyone!
**As they are enjoying their conversation and meals, Nurse Joy approaches the gang politely**

**Nurse Joy:** Hello everyone. How did it go on your trip to the Safari Zone?

**Ash:** Hey, Nurse Joy. We had a great time together. Some of my friends caught their new pokemons.

**May:** We met so many Pokémon! Some were everywhere, some were nice.

**Dawn:** And a few gave us major surprises.

**Jonah:** We split into groups today, and we worked together to encounter any pokemon we found.

**Ty:** And it was the best safari trip ever. It was my first time here.

**Nurse Joy:** **Smile** Impressive! Girafarig can be tough to approach.
**The Pokémon Center doors slide open. Standing there proudly, arms folded and grinning, it was Chuck once again**

**Chuck:** Well, well! Look who made it back in one piece!

**Ty:** Chuck! Good to see you again!

**Chuck**: **Booming laugh** How was the big Safari Zone adventure? I heard trainers were rushing in there all day.

**Avery:** It was incredible! We ran into many cute pokemons—so many Pokémon.

**Lillie:**
And some of them were super friendly!

**Chuck:** **Laugh** That's good to hear! A good trainer is a warm welcome.

**Ty:** Yeah, imagine that we're saving energy!
**Chuck was impressed at the kids experience from the safari zone trip**

**Raye:** Oh, and we're heading back to Olivine City, right?

**Ash:** Yeah, we leave by morning.

**Ty:** All right, and with my pokemons ready, I'll be ready to face the next gym leader.

**Dawn:** But what about your next pokemon that you didn't catch?

**Ty:** I'll figure it out before we get there.

**Nurse Joy:** Since you're staying here, there's a sleeping quarter here for tonight.

**May:** We should get some rest and leave for tomorrow.

**Chuck:** Same for you, Ash. It's good to see you again. And Ty, that was a fun challenge between us. You're getting stronger now, boy.

**Ty:** Yeah, I had a great time with you, Chuck. That battle was super epic.

**Chuck:** Heh! I like that spirit.

**Chuck:** Here—this boat ticket will take all of you straight to Olivine City.

**Ty:** Thanks, Chuck.

**Chuck:** Anytime. Remember, don't be scared of losing, train hard, and don't lose your focus.

**Teddiursa:** **Excited** Teddiursa!

**Chuck:** Wahahaha! That's the spirit!

**(Pokemon Master Revolution Theme Song Plays. Outro:)**
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all
